CONDITIONS OF ACCEPTANCE STATEMENTS

CONDITIONS OF ACCEPTANCE: This application is accepted and insurance attaches in accordance with the policy unless: (1) the Federal Crop Insurance Corporation determines that, in accordance with the regulations, the risk is excessive; (2) any material fact is omitted, concealed or misrepresented in this application or in the submission of this application; (3) you have failed to provide complete and accurate information required by this application; or (4) the answer to any of the following questions is "yes". An answer of "yes" to these questions does not automatically result in rejection of the application. For example, if you answer "yes" to question (a) but your debt was discharged in bankruptcy, the application would not be rejected.

Yes No

- ____ (a) Are you now indebted, and the debt is delinquent, for insurance coverage under the Federal Crop Insurance Act?
- ____ (b) Have you in the last five years been convicted under federal or state law of planting, cultivating, growing, producing, harvesting or storing a controlled substance?
- ____ (c) Have you ever had insurance coverage under the authority of the Federal Crop Insurance Act terminated for violation of the terms of the contract or regulations, or for failure to pay your indebtedness?
- ____ (d) Are you disqualified or debarred under the Federal Crop Insurance Act, the regulations of the Federal Crop Insurance Corporation, or the United States Department of Agriculture?
- ____ (e) Have you ever entered into an agreement with the Federal Crop Insurance Corporation, or with the Department of Justice that you would refrain from participating in programs under the authority of the Federal Crop Insurance Act and that agreement is still effective?
- ____ (f) Do you have like insurance on any of the same livestock?
- ____ (g) Are you less than 18 years of age?

I understand that if coverage for any crop or commodity is currently terminated or would have subsequently terminated for indebtedness had this application been filed after the termination date, no coverage can be provided and I am ineligible for any benefits under the Federal Crop Insurance Act until the cause for termination is corrected.

We will notify you of rejection by depositing notification in the United States mail, postage paid, to the applicant's address. Unless rejected or the sales closing date has passed at the time you signed this application, insurance shall be in effect for the crops or commodities and crop years or reinsurance years specified and shall continue for each succeeding crop year or reinsurance year, unless otherwise specified in the policy, until cancelled, terminated or voided. The insurance contract, which includes the accepted application, is defined in the regulation published at 7 CFR chapter IV. No term or condition of the contract shall be waived or changed unless such waiver or change is expressly allowed by the contract and is in writing.

I certify that the information and answers on this application are correct to my knowledge and belief; that none of the reasons for rejection in items 1 through 4 of the "Conditions of Acceptance" apply; and that I am aware of and understand the requirements of the Collection of Information and Data (Privacy Act), as well as all other provisions contained on this application.
